BATTLE CRUISERS WILL HAVE HISTORIC NAMES

May Be Called United States, Congress, Alliance and Ranger, if Officials' Plans Work Out.

The historic names Congress, United States, Alliance and Ranger probably will be given to the four new battle cruisers, bids for which will be opened at the Navy Department in December. Although no decision has been reached yet, it was learned today that favorable consideration is being given to those four names, taken from the frigates of revolutionary days.

OPERATION PROVES FATAL.

Miss Sallie S. Jennings Succumbs. Burial at Lynchburg, Va.

Miss Sallie S. Jennings, a leading member of the Vermont Avenue Christian Church, who came to this city from Virginia about ten years ago, died at the Episcopal Eye, Ear and Throat Hospital at 5 o'clock this morning. Her death was due to her inability to withstand the effects of an operation on her throat. She was fifty-six years old.

The body will be taken tomorrow morning to Lynchburg, Va., the old home of the Jennings family, where a brief service will be held tomorrow afternoon. Interment will be in the Jennings family section in Howard cemetery there.

Miss Jennings, who was a descendant of Edward Jennings, a colonial governor of Virginia, is survived by two sisters—Misses Mollie and Lillie Jennings of Lynchburg—and three nephews—Charles T. Jennings of Los Angeles, Cal.; Samuel J. Jennings of Tempe, Ariz.; and William W. Jennings of Glen Ferris, W. Va.

while the original frigates that made those names famous in revolutionary days are still afloat.

The four new battle cruisers to be added to the navy next year probably will bear the names of rivers. Some navy men are now named after great streams, but that practice probably will be abandoned.

The armored cruisers Washington, West Virginia and Colorado have been renamed Seattle, Huntington and Pueblo, respectively. The state names will be given to new battleships.

It matters little what it is that you want—whether a situation or a servant—a want ad in The Star will reach the person who will fill your need.

AMONG PLEASURE CRAFT.

One Power Yacht Out for Repairs, Another in Winter Quarters.

The handsome power yacht Fantana, one of the local fleet of pleasure craft, is out on the marine railway at Regan's to locate a small leak she developed a few days ago. The yacht will receive minor repairs and will have the underwater portion of her hull cleaned. It is probable the work on the vessel will be completed this afternoon, and she will be put overboard ready for service. The Fantana

is an exceptionally handsome craft and is large enough for coastwise cruising should those who own her desire to do so.

The power launch Benjamin N., belonging to Capt. Will Neitz, has gone into winter quarters in the dock at the District lumber wharf, foot of 12th street southwest. She will probably remain where she is now berthed until the coming of the boating season next spring.

A Safe Way to Invest Your Money

The Farm Loan Act provides for frequent issues of popular bonds that will pay good interest. They will be an absolutely secure investment, being guaranteed by farm mortgages, by the members of the local organizations and by the Federal Land Banks under the supervision of the United States government.

Anybody With \$25 Can Buy One

And as many more as they can pay for. There will also be bonds for \$50, \$100, \$500 and \$1,000 each. These bonds are classed as government securities. They are free from taxation for any purpose, and make an ideal investment, just as safe as ready cash.

The Farm Loan Act tells all about these Farm Loan bonds. It tells how farmers will make their mortgages; how they get the cash; how bonds will be issued by the Farm Loan Banks; and every detail of this great national service.
